- Lasting Results

## BUILDING & PAVEMENT PROS

Asphalt • Concrete • Maintenance • Repair • Waterproofing

### Committed to making your job easier.

We understand how frustrating it is to hire a contractor and get inferior results that don't meet your expectations—that is why we are committed to do our job right as your facilities maintenance services partner in order to make your job easier. Pavecon has provided responsive, reliable, and trustworthy services since 1992 to install, repair, and maintain critical aspects of a property's exterior—from the pavement you drive on to the building you work in.

You have to maintain your facilities—but you don't have to deal with challenging or unreliable contractors who can leave you with a big bill and a bigger problem. When you choose Pavecon, we help you solve your facility maintenance problems—and you can rest assured that we won't leave you with any new ones.
